## POLICE PRECINCT SECOND EDITION

### THE HEAT IS ON!

Gang activity is on the rise and the Street Punk population is growing with emergencies happening throughout the city at an unprecedented rate.

There's a murderer at large. You and your team are desperately searching for the killer before he strikes again or escapes your jurisdiction. On top of all this, Internal Affairs suspects that one or more of the officers on your team might be corrupt! Rumors are flying about who might be a Dirty Cop and if they are being bribed by forces in the underworld to prevent the murder from being solved?

Your Task-Force needs to figure out a way to overcome all of this and work together, or else the Good Cops lose the game!
